It was a pleasure to work with Rebecca. They were so proactive and responsive throughout my job search. I felt really well prepared for each stage of the interview process (and it didn't hurt that Rebecca treated me to a coffee and cake when I got the job!).

**Georgie Willis**

Oakleaf offer an extremely efficient and professional approach. Millie and the team carefully listened to my requirements, offered great advice throughout every step of the journey, and landed me a great new role. I would highly recommend.
