

We're hiring

People Manager - Payroll Team

We are looking for an experienced people manager to join our highly successful payroll team.

You will be working on senior permanent hires and will be expected to support in the growth and development of the payroll team.

Ideally you will have people management or team leader experience or be interested in moving into a management role. You will be supporting a team of 4 consultants to take the specialist market to the next level.

We can offer you:

- **Great base & commission scheme**
- **Flexible working: work smart to earn smart**
- **Various high-achievement initiatives**
- **Benefits include financial advice, birthday day off & holiday purchase**
- **Long service awards at 3,5,10 years**
- **Discounted gym membership**
