About the team

Our Financial Services Team pride themselves on being personable, consultative and knowledgeable. We work with a broad spectrum of clients including asset and wealth managers, commercial and specialty insurers, private equity and hedge funds plus retail and investment banks amongst others. We are known for high touch service, speed of delivery and honest advice.

What our clients say

Beth is a personable individual with a really professional approach. She helped me to find my ideal role within a short time period and was excellent at keeping me informed throughout the process. Not only that she managed to secure me an interview the same day with a turn around of less than a week! I would definitely recommend Beth and Oakleaf as a recruiter and will certainly look to keep in touch with her throughout my career.

Alan is by far one of the best recruiters I have ever dealt with. He is knowledgeable, straight talking and keeps you informed throughout the process. He advises and doesn't pressurise and is simply a pleasure to deal with. If you are looking for a new role or are recruiting and want your candidate to have a positive recruiter experience then Alan is definitely the person you should talk to.
